

**El Paso Electric
Solar PV Pilot Program**

Final Application/Installation Notice
Program Year 2012, Version 20110920

Eligible Service Providers may use this form to notify the Program Manager that a project is complete and ready for inspection and/or final incentive processing. This form must be used with the latest version of Adobe Reader (available at <http://get.adobe.com/reader>). Submit this form electronically to pvapps@frontierassoc.com with "FAF – [CUSTOMER LAST NAME], [CITY]" in the subject line. Send application materials as one package, not in separate emails, unless directed to do so by program staff. Due to the high volume of applications being processed, materials received separately may cause your application to be delayed or deemed incomplete. If you need to fax a copy of the signed signature page only, fax it to (512) 669-5624. For questions please contact the Program Manager.

1. Project Registration Number (assigned on acceptance of pre-approval form; appears on pre-approval letter)

Licensed electrical contractor who offered, performed and permitted electrical work for this project

Company Name: _____ License #: _____

2. Changes Since Pre-Application Approval

Have any details about this project changed from those presented in the project pre-application form and attachments? No Yes (resubmit changed pre-application submittals with changes highlighted)
